<sup>1</sup> Paradise MergerSub, Inc. recognizes that the Commission has not approved the Stipulated Procedural Order and by making this filing does not assume that the Commission will adopt the Order. Paradise MergerSub, Inc. is simply attempting to abide by the schedule set forth therein as agreed upon with the other parties to the docket. In doing so, Paradise MergerSub, Inc. notes, however, that it was not possible for the Division of Consumer Advocacy to file its information requests, and for Applicants to file their responses, on the respective dates set forth in the schedule because the parties did not reach final agreement on the Stipulated Procedural Order until after the date the Division of Consumer Advocacy was to file their information requests.

These responses and attachments contain confidential commercial and financial information to Paradise MergerSub, Inc., its affiliates and/or their respective employees, vendors, contractors and/or consultants, the unpermitted disclosure of which will infringe on Paradise MergerSub, Inc's and/or such entities/individuals' respective privacy rights and cause competitive harm.

Very truly yours,
